WW: Samuel Leake 2/6, Martin Leake 4/6, Pete Mason 1/4; 2/4 doubles

The teams currently top of each of the groups look like good bets to secure semi-final spots. But the fourth spot could go to any of several teams (with at least two still in contention in each of the groups).

Individually, no-one managed 6/6 this week but two of the doubles specialists won 4/4. Chris Hatton (Knighton the Town) was unable to win any of his doubles. So this week's winner is Shirley Pickering (Shirley and the Boys) who added 3 from 4 in the doubles in her match.
