

ROSE JOHNSON CHALLENGE BOWL - GROUP RESULTS

Thanks for your patience. I have now determined the results of the groups and the draw for the semi final. The date is TBC based on availability of KP. I will confirm with the relevant captains ASAP.

I hope you all enjoyed the evening on Tuesday. It was a bit chaotic to start with and definitely some things I would do differently next year. I welcome any feedback or suggestions.

RJCB Group Results:

GROUP 1

Abbots Road = +58

Knighton the Town = +16

System = -1

Fleckney 2 = -73

GROUP 2

LT&S = +19

T-800 = +12

Musketeers = +6

Winter Knights = -37

GROUP 3

Winstanley = +108

Fleckney 1 = +17

Goons = -43

Unicorn = -82

Following these results, the semi-final draw is as follows. The format of the knockout matches will be the same as the group stage, assuming the same handicaps:

Abbots Road vs Fleckney 1

Winstanley vs LT&S

On the same night the final will be played and a third place play off, so each team is guaranteed two matches.
