

## WEEK 3

Another three matches this week, all KP wins.

Again, the postponed fixture was duly notified and the re-arranged date has been agreed.

Will the extension weeks be the only ones with two fixtures played in each group?

Tables attached.

The two KP teams in Group A recorded 17-3 wins and seem to be heading towards the semi-finals.

Knighton the Town beat Goons.

Chris Parmar-Saville 5/6, Dave Mountain 5/6, Simon Aldis 3/4; 4/4 doubles.

For Goons: Kevin Edwards 2/6, Steve Harrison 0/6, Allan Crowson 2/4; 0/4 doubles.

Goons went 1-0 up, were 2-2 but KtT pulled away to win comfortably.

The 3 Musketeers won away as Fleckney 1 entered the competition.

Andy Searle 4/6, George McClurkin 5/6, John Underwood 4/4; 4/4 doubles.

For the home side: Bob Palmer 2/6, Mike Wilson 1/6, Jan Green 0/4; 0/4 doubles.

Bob shared the first two but thereafter the visitors dominated.

Group B looks as though it is more open.

KPT continued their improvement with an 11-9 win over Fleckney 2 in what was easily the best (closest) match of the week.

Elly Bajarias 5/6, Aidan Hemingway 3/6, Steve Bessant 2/4; 1/4 doubles.

For the visitors: Lee Towers 2/6, Drew Harbidge 2/6, Callum Harbidge 2/4; 3/4 doubles.

At 8-8 Elly beat Callum 2-0 to guarantee at least one point before Aidan 'drew' 1-1 (see what I did there?) to secure the win and extra point.

Four players won 5/6 singles this week and another (Simon Aldis) won 3/4 plus 4/4 doubles.

But POTW is John Underwood with 4/4 singles combined with a clean sweep in the doubles.
