

REGENT SPORTS HANDICAP

Regent Sports had its annual handicap tournament at the Regent club on Thursday 14 Dec and what a great night it was.

We had 9 out of 10 registered players involved featuring one group of 4 and another group of 5 playing each other in their group.

Due to having only one table the group games were one only of 21 up, but when not playing it was enjoyable watching or scoring others games.

The top two went through to a best of three game semi final with Zelko Koncarevic beating Dave Dewsbury and Will Clark (last year's winner) beating Wes Glauds.

Zelko won the final against Will to conclude a very enjoyable evening.

We used to have this tournament in September before the season started but we now have it a week before Christmas and it makes it a great occasion to all get together.

Afterwards we had a meal of chilli and chips along with some refreshments 🍺

Thanks to everyone who attended and to Vicki at Regent club for cooking the food.

****** Regent club do have a function room if anyone wants to hold a party or any other large event - if interested please contact Fred on 07800 799039******

Merry Xmas all and a happy new year

Dave Dewsbury
