Remarkable that for the second year running the Final of this competition needed the extra three games to provide a result -- once again some fine competitive handicapping

Three times Vicars went two game up, and three times Nomads fought back to level.

Andy Searle won 5/6 for Nomads, twice bringing his team level, losing his sixth game 20-22 to Raju Rahul who went on to clinch 4/6 for Vicars. Cliff Smith also won 4/6 for Nomads.

The three play-off games could not have been much closer with two taken by Nomads at deuce. A draw would have been a fair result but there has to be a winner.

Eric Jackson, competition organiser, presented the trophy.

John Bowness.
