

COUNTY JUNIORS

The second junior county day was held at Knighton Park TTC.

Leicestershire's players were Kai Bhakta, Khaalid Patel, Corey Lancaster, Roma Morjaria and Catherine LV.

The first match was against Cheshire. Catherine and Roma both took one match each against their number one girl. Kai won both of his while Corey won a vital match 9 in the 5th to earn us a draw.

The second match saw us play South Yorkshire who we also drew with. The South Yorkshire girls were no match for Roma and Catherine who took all their singles comfortable. Corey was the other winner for Leicestershire beating their number 3 boy 14v12 in the fourth. Khaalid played some great shots and was unlucky to lose a close 5 setter against the no 3.

We ended the day with a 9v1 win against Northamptonshire. The girls once again won all their singles and both Kai and Khaalid had victories in close 5 setters. Corey who had been playing some fantastic table tennis all day just lost in 5 sets but won his other one 3 straight.

Subject to the results being verified Leicestershire came runners up in the division.

All the players were a credit to the county. I would like to say a big thank you to Chris Rogers and Karen Smith who helped with the scoring and organisation.

Jane Rogers
