

## **CALLING ALL LADIES**

International Women's Day is every year on 8th March and Leicester will be well and truly getting involved this year when **JANE ROGERS** supervises our own "Ladies Only" hour at Knighton Park TTC. It commences on **Tuesday 8 March at Knighton Park from 5pm to 6pm** and will be staged every Tuesday thereafter for as long as it is viable. I realise that these updates go mainly to those already playing but there must be many wives of players as well as children who feel the urge to grab an hour of keeping fit while having fun. Who knows where it might lead?

Coaching is the name of the game and it will be open to all abilities as well as all ages from 7 to 97, which means the Queen could have a go. The main intention will be to have fun, keep fit and improve your game. Bats and balls will be provided and a variety of coaches on hand to help, whatever your level. This is no commitment as it is pay as you play at £2 per adult and £1 for under 18's.

The number of ladies playing the sport has varied throughout the decades with some bumper times. At the moment, however, just 12% of players registered in England are Women so Table Tennis England who are enthusiastically behind any such measures as this, are very keen to see that number rapidly increase this year.

For any further information you need call Jane on 07825 338 913. Or just turn up and take it from there.
