

LEICESTERSHIRE SCHOOLS TABLE TENNIS ASSOCIATION

8 schools represented Leicestershire and Rutland at the Zone stage of the Table Tennis England Schools Team Championships at Grantham having been winners or runners up at the County stage in the autumn.

The highlight was in the Under 11s where Burbage Junior won both the Boys and the Girls Competitions, with Avenue Road Junior (Leicester) taking second place in both. A great achievement by both schools.

They will be joined in the Regional stage in mid February by Leicester Grammar School Girls u13 team who were the only entry at the Zone stage at Grantham.

The other 3 teams all finished third in their age group - - Beauchamp (Oadby) in the U 13 Boys, Manor (Oadby) in the u16 Boys and Uppingham in the u19 Boys. They all played well against some strong opposition.

Leicestershire and Rutland were the best county by numbers of teams and schools represented.
