

LEICESTERSHIRE COUNTY 1st TEAM REPORT

The first 3 matches in the Senior Premier Division took place at Milton Keynes on 27th / 28th November 2021. Leicestershire were represented in all matches by Jared Patel, Chris Rogers, Jack Rogers, Karen Smith and Daria Dzierbicka.

The first match resulted in an 8-2 defeat to Middlesex with Chris and Jack both beating Murhad Hussein. Karen lost one match in 5 but despite some close game scores we were unable to convert many chances into games.

Next up were champions Sussex and it was another 8-2 defeat against a strong team. Wins this time for Chris against former Unicorn player Mark Scutts and Daria against Theresa Bennett.

The final match was against Surrey and Leicestershire went 4-0 down, Daria losing in 5 and Jared, Chris, and Jack all losing in 4 close games (7 of the 9 games being lost 11-8 or closer). Karen got us on the scoreboard with a 3-0 victory and we then started to win more of the close games with Jack and Daria winning in 5, Jared in 4 and Karen in 5 to put us 5-4 ahead. Unfortunately, Chris was unable to win the final match, despite chances in all the games, so a 5-5 draw was the end result.

This left Leicestershire in 7th place with 4 matches to play in February.
